

### **Statement of Faith**

Challenge 22 is founded on the belief that every person is  
created in the image of God and is worthy of  
dignity, compassion, and love.

Our Christian faith calls us to serve others, and we live that  
calling by supporting and walking alongside our nation's  
veterans, offering hope, healing, and community to those who  
have served.

We follow the example of Jesus Christ by serving all veterans,  
first responders, and their families, regardless of faith,  
background, or belief.

Through our actions, we seek to reflect God's love in practical  
ways, by meeting needs, building relationships, and standing  
beside those who carry the visible and invisible  
wounds of service to others.

**Our mission is rooted in Christian faith  
and our service is extended to all.**
